Since October 7, 2023, when Hamas horrifically attacked the State of Israel, antisemitic behavior across the United States and our state has sharply increased. Some of the more alarming actions include riots on college campuses, protests in the streets, and threats against Jewish people on social media. This continuing legal education and law enforcement training is designed to increase awareness of antisemitism and educate on how to combat such disturbing conduct. It will provide 1) insight on antisemitism in Indiana; 2) an explanation with case studies on antisemitic extremism and how it is becoming an “acceptable” extremist ideology in America; and 3) an overview of the First Amendment and its implications for antisemitic rhetoric.

Speakers:

Todd Rokita - Attorney General, State of Indiana
Allon Friedman, M.D. - President, Jewish American Affairs Committee of Indiana
Dr. Lorenzo Vidino - Director of the Program on Extremism, George Washington University
James Barta - Solicitor General, State of Indiana

Presented by the Office of Indiana Attorney General Todd Rokita

EXPLORE THE MITZVOT IN THE WEEKLY PARSHA

UNDERSTANDING TORAH LAW WITH THE MINCHAS CHINUCH

Join us for an engaging class where we explore the mitzvot found in the weekly parsha through the lens of the Minchas Chinuch. This class offers an in-depth analysis and legal perspective on the 613 mitzvot, helping you connect the timeless teachings of the Torah.

What is the Minchas Chinuch?

The Minchas Chinuch is a commentary written on the famous Sefer HaChinuch focusing on the legal application of the Mitzvot. The work is noted for its technique of isolating legal concepts through the use of uncommon test cases. This feature of the book makes it a useful starting point in conceptual analysis of talmudic topics.

WHY ATTEND?

CONNECT TO THE INSIGHTS OF EACH MITZVAH:

Gain insights into the mitzvot discussed in the weekly parsha and how they apply today.

DEEPEN YOUR TORAH KNOWLEDGE:

Explore the concepts and practical laws behind the mitzvot.

ENHANCE YOUR LEARNING SKILLS:

Improve your ability to analyze Torah texts and understand Rabbinic and Talmudic discussions.

LEARN RASHI SCRIPT:

Build proficiency in reading "Rashi script," essential for accessing key Torah commentaries.

WHO SHOULD ATTEND?

This class is ideal for intermediate to advanced learners looking to deepen their understanding of the mitzvot in the weekly parsha and work on analytical skills in Torah learning.

DETAILS:

When: Wednesdays at 7pm (TBD with changing mincha maariv)

Where: Bn'at Torah Library

Who: Open to men seeking to connect the weekly parsha with practical mitzvah learning

We look forward to learning with you!
