**BNAI TORAH WELCOMES  
3 SPECIAL GUESTS FROM  
YESHIVA OF GREATER WASHINGTON  
IN SILVER SPRING, MARYLAND  
COMING TO ENHANCE OUR  
SIMCHAS TORAH!**

**Yechiel Hyman** is originally from the Lower East Side of Manhattan, but spent most of his childhood growing up in Teaneck, NJ. He spent two years learning in Yeshivat Shaarei Mevasseret Zion in Israel, followed by the past five and a half years where he has been learning in the Yeshiva of Greater Washington. Despite not finishing all four years of high school, Yechiel now holds a Master's degree in Business and Management from the University of Maryland. During the summer, Yechiel can always be found in camp. He has worked at Camp Moshava IO, Camp Chaverim, Camp Shores, The Zone, and is currently the Head Counselor at NCSY Camp Sports. During his free time, Yechiel can be found volunteering with NCSY, watching college basketball, or hiking, all while humming whatever song is currently stuck in his head. He is super excited to visit Indianapolis for the first time, and can't wait to meet everyone!

**Avraham Gottlieb** was born and raised in Silver Spring, Maryland. After 18 years in Silver Spring, he went to Eretz Yisroel to learn in Mevasseret for a couple of years followed by a year in Shor Yoshuv in Lawrence, NY. During Covid, he made the switch to Yeshiva of Greater Washington where he earned his Bachelor's in Talmudic Law. Avraham currently works full-time in the Yeshiva of Greater Washington middle school resource room, while spending his nights in the Yeshiva beis medresh. During his free time Avraham enjoys playing sports, listening to music, practicing guitar, volunteering for Bikkur Cholim of Greater Washington or practicing leining. He is pumped for his first trip to Indianapolis and looking forward to spending YomTov with everyone.

**Baruch Taffel** grew up in Baltimore, MD. He spent two years studying at Yeshivas Yishrei Lev in Israel before transferring to the Yeshiva of Greater Washington (YGW) for four meaningful and growth-oriented years. After he got his Bachelor's of Talmudic Law from the Yeshiva, he spent one year learning at Ner Israel Rabbinical College. In 2023, Baruch accepted a position as the principal's assistant in Toras Chaim (a local boy's high school in Baltimore). He draws from the lessons he learned from the Yeshiva together with his intuitive understanding of administration, people, and education to keep the school functioning at the highest level possible. Thank God, so far he has been successful in impacting his students in and out of the school environment. Baruch's hobbies cover many areas, from extreme outdoor activities like top rope rock climbing and mountain hiking to quieter pastimes like archery, working out, playing chess, and writing. Baruch's grandparents met in Indianapolis, so it is especially meaningful for him to come and experience this chag together with the community.
